37

corn/ maize peeler & thresher machine

38

39

40

corn/ maize thresher machine

**type: upper (thresher)
down: peeler**

left & right type

**with diesel engine
power: 4HP-6HP**

grain powder machine

41

corn/ maize thresher

42

manual thresher machine

43

44

small corn/ maize thresher machine

45

disc type

power: 1.5--2.2kw

power: 1.5kw

multifunctional grain thresher machine

46

**corn/ maize peeler,
thresher, sieving machine**

48

corn/ maize peeler, grits machine

49

can be powered by electricity & diesel engine

power: 2.2--4kw

floating fish pellet machine

The Floating-Feed Pellet Machine can make many kinds of fodder for different kinds of animal fodder. It can make poultry-fodder, pet-fodder, The poultry-fodder can feed chicken, rabbit, sheep, pig, horse cattle's and so on. The pet-fodder can feed dogs, cats, goldfish etc The Fishery-feed can feed the fish, shrimps, crab, eel, catfish, batrachia and so on.
